session notes

Session fees are creator's fees charged for the creation of your high quality, artistic senior portraits. **Session fees are due at the time of scheduling and are non-refundable.** A 3-day notice is appreciated for session cancellations or rescheduling. A 24-hour notice is required if you are unable to keep your appointment. Failure to show for an appointment will result in a \$25 charge to reschedule.

Yearbook pictures may be scheduled for a separate appointment from your senior session due to the deadlines of your particular High School. Yearbook appointments consist of a short appointment with one outfit and a few head-and-shoulders portraits.

Proof viewing and ordering

Your proofs will be ready for viewing / pick-up 2 weeks after your photography session. You will have two options for viewing and ordering your proofs at that time:

1. Schedule an appointment to view and order the proofs in the comfort of our studio. View/ordering appointments will be 2-hours in length and as a courtesy to other customer must be completed on time. Due to limited schedule availability, any additional appointments required to complete the viewing/ordering process will incur a \$50 fee per 2-hour appointment.
2. Pickup the proofs from the studio and view them in your home for a period of **21-days**. An ordering appointment must be made at the time you pick-up your proofs. A deposit will be required to remove the proofs from the studio and will be applied to your order if placed within the 21-day window. **Sorry, deposits can not be refunded but only credited to an order.**

For Premium Sessions: Take your proofs to the next level... If you choose to upgrade to the Senior My Book proofing option, a unique one-of-a-kind album will be created using your finished images. This option requires album purchase.
